

Maple Hill Invitational presented by Dynamic Discs
Press Release, for immediate release / April 26th, 2022

Maple Hill will host the inaugural Maple Hill Invitational presented by Dynamic Discs. This collegiate invitational event will be taking place at the Maple Hill Disc Golf course in Leicester, MA on May 15th, 2022. The goal of the tournament is to invite the colleges in the northeast to compete against the best college clubs in the country.

The event will feature National Collegiate Champion Missouri as well as four time National Collegiate Champion Ferris State. Joining these prestigious clubs will be teams from regional colleges (WPI, Drexel, UMass Dartmouth, RIT, Rensselaer, and Houghton).

Dynamic Discs will be providing support that will make the event one to remember including a player's buffet the night before, complete media coverage, and some very special commemorative discs.

The Disc Golf Guy will be providing post produced coverage of the first two rounds and shot by shot coverage of the two singles match play matches in the final round.

Derek Savory of Dynamic Discs says, "Disc golf at the collegiate level is exploding and we at Dynamic Discs are thrilled for the opportunity to be a part of it!"

Ryan Daige, Manager of Maple Hill says, "Maple Hill is excited to host the best colleges in the country. The MHI is our first step to creating a more accessible disc golf tournament experience while growing the number of northeast colleges with disc golf clubs. We look forward to hosting and growing this annual tournament for many years to come."

Tony Stolo, MHI Tournament Director says, "I am always excited to be a part of new and unique opportunities, especially at Maple Hill. I am proud to be a part of something that could grow into the scale of the MVP Open with DGN type coverage in the future."

Background:

- Event Organizer Steve Dodge, founder of the MVP Open, has created this event to bring disc golf into more colleges in the northeast and to give them an opportunity to gauge their skills against the best disc golf colleges in the nation.
- At the 2022 College Disc Golf Championships, Missouri was one stroke ahead of Ferris State going into the final round. Before the final round, Ferris State was disqualified for having a player ruled ineligible to compete. At the Maple Hill Invitational, if these two teams can outlast the northeast challengers, college disc golf fans will have an opportunity to see them battle head to head in a match play championship at the storied Maple Hill disc golf course.
- Evan Muzilla and Stevie Frisch of WPI were the inspiration for this event. They have both attended WPI and played Maple Hill for the past four years. While Stevie Frisch will not be able to compete due to a scheduling conflict, Evan Muzilla will be proud to play host to any and all who dare to challenge WPI and the other colleges of the northeast, at the premier Maple Hill course..
